- 2 More physical education and Health related programs
- 3 Cover more of a variety (CTE)

- 6 Power School / School Net
- 7 N/A
- 8 I fee that especially for new teachers, classes should be offered to teach how to be organized so they don't feel overwhelmed.
- 9 Although it wasn't scheduled but was available, allowing teacher - beginning, to express their concerns would be beneficial. When we hear the same experiences we have from another individual, it seems to release some hidden pressure.

Ignoring the rumors of the workplace.
- 11 Parent contact
Class management
- 12 Session on flipping or spinning the classroom.
- 13 Topics on diversity... How to teach and be effective in the classroom with different learners. Yelling is not teaching. Being sarcastic is not teaching. Understand the different races and how to deal with their issues and behaviors.
